**COMMUNICATION IN REGARDS TO DEFICIENCY OF PAYMENT**

Dear Sir:

1. On July 2, 2009, Applicants filed an Amendment, Petition for One-Month Extension of Time and payment of \$65.00 for the extension fee, as a small entity status.
2. It was later recognized that the Petition for One-Month Extension fee should have been \$130.00, for a large entity status, as the application was filed as a large entity.
3. Applicant had indicated in their Response, Petition for Extension of Time and transmittal letter that he Commissioner was authorized to charge any additional fees that were done.
4. Applicants respectfully submit that the payment of the above small entity fee was an inadvertent error made without deceptive intent.
5. Accordingly, and further to the statements made in the previously filed documents (noted above), the Office is hereby authorized to charge the deficiency amount of **\$65.00**, any other

fees that may be due, and/or credit any overpayment of any fees to Deposit Account **50-0311**,  
Reference No. **28460-502-NAT**, Customer No. **35437**.

6. Should the Office deem the previous filed response as being deficient for failure to pay the appropriate extension fee, the Office is authorized to charge any additional extension fees necessary to effect the filing of the July 2, 2009 Response.

Dated: September 10, 2009

Respectfully submitted,
